SHORT NOTE

After some years spent in the architecture and construction field, I've redefined my work arrangement, focusing on communication especially for fashion and art companies. Due to university architectural background, my goal can be intended as a everyday's engine to discover new horizons and to pursuit new targets.

MAIN SOFTWARE SKILLS

Adobe Photoshop

Adobe Illustrator

Adobe In Design

Office

Wordpress/html/css

LANGUAGE SKILLS

Italian: native

English: upper intermediate -

French: upper intermediate

Chinese: beginner
